

“I Work to Get a Work”

20-27 August

Tbilisi, Georgia

Introduction

A project will bring together youth leader, social workers, unemployed young people, disadvantaged part of people in order to discuss the topic of exclusion, youth employment and possible solutions to it.

The TC will support to exchange experience among youth leaders and workers active in the field of non-formal education, working directly with young people;

The project will stimulate youth active participation in society and encourage about how European Youth in Action projects can be used as a tool to improve the access of young people with fewer opportunities into the labour market. The participants will discover the different national realities related to unemployment among youth;

One of the expected outcomes of the course is youth in action projects that participants are expected to identify and develop during the course – individually or in partnership with other participants – and to implement after the course.

Main program elements/ working methodology:

The project will be based on intercultural working methods and non-formal education.

Creativity, interactive and group working activities, active participation, workshops, learning by doing, presentations, theoretical input, simulation, role plays, discussions, plenary and evaluation will be program elements and it will provide further knowledge and understanding of the issue.

The day of arrival is 20th of August, day of departure is 27th of August

Accommodation/ Food: The accommodation will be provided during the project time.
