

EVS Vacancy

Specialized House Marc Toussaint

Place: Cormontreuil (in the Reims city area)

Dates: January – July 2015

Number of vacancy: 1

Activities Description

The Specialized House Marc Toussaint is a lodging and day care centers for disabled adults. The handicaps can be various and severe. Candidates have to know it is usually a bit shocking at the beginning but after a short time the experience is very enriching by learning how to communicate with them. The volunteer will take part in leisure activities such handicrafts, computer workshops, snoezelen, outings, games... He/She will work with another EVS and two activity leaders.

The volunteer will get his own flat and will have a part of the food in the restaurant of the organization and will receive money for the other part.

Profile of the volunteer

Some human qualities as sense of listening, patience and aptitudes to communicate are needed and will be developed. The volunteers have to like to help other people, be ready to overcome some gestures of the everyday life. A minimum of initiative sense will also be required. An essential skill will be knowledge in French and, most of all, that he shows the willing to express himself in French during his EVS.

Selection Process

We ask for application to send CV, a motivation letter appropriate to the project and to fill the form call "questionnaire SVE" that you can upload on this webpage: <http://sve.jeunes-ca.fr/accueillir-volontaire/>

Then, send all documents in one e-mail to sve@crij-ca.fr

Deadline to apply is 1st of September. If you are preselected you will be contacted for a skype conversation. The final decision is expected for the 15 of September.

Training for the 10 km of Reims

EVS Vacancy

Town of Attigny

Place: Attigny (in Ardennes Department)

Dates: February - December 2015

Number of vacancy: 1

Activities Description

Attigny is located in rural area in the Department of Ardennes, North-East part of France close. The volunteer will support the youth activities of the town (leisure activities with children after school and during holidays). In this activity, it is expected to

propose some intercultural games and activities. He will also take part in the information to youth with the support of the Regional youth information Center. During summertime, the volunteer will support the touristic services of the town. The volunteer will also have the opportunity to work with the local organizations supported by the town that works to improve social links between inhabitants.

A part of the activities will take place on the evening (after school activities or activities with local organisations). The volunteer will work an average of 35 h/week. The volunteer will live in a house with two other EVS who do their EVS in a center for disable people. At the beginning he will have meals in the center and after a short integration period he will receive money to cook himself.

Profile of the volunteer

The volunteer should be outgoing and dynamic. He/She should have good relations sense and able to take initiatives. The volunteer should have some basic knowledge of French due to the fact that few people in the town speak other language than French. One of the most important criteria is that the volunteer should like living rural environment and like to be in contact with nature.

Selection Process

We ask for application to send CV, a motivation letter appropriate to the project and to fill the form call "questionnaire SVE" that you can upload on this webpage: <http://sve.jeunes-ca.fr/accueillir-volontaire/>

Then, send all documents in one e-mail to sve@crij-ca.fr

Deadline to apply is 1st of September. If you are preselected you will be contacted for a skype conversation. The final decision is expected for the 15 of September.
