General description of EVS coordinated by Luzanky

There are 12 EVS volunteers working at different places on individual projects, meeting every week on common meetings with the coordinator and from time to time with all the colleagues to evaluate and plan the project. Luzanky hosts and coordinates EVS volunteers in other organizations (focused on environmental education, Roma minority, French culture etc.). So, all hosted and coordinated volunteers will meet during the project and can visit workplaces and events of each other.

Most of the volunteers of our group is here for 12 months from 1.10.2018 until 30.9.2019, this advertised EVS opportunity at Lata is looking for replacement for volunteer, who had to go home because of health issues.

The volunteers have 3 months Czech language course (60 minutes 2 times a week plus homework). At the beginning of the activity, they are working 5 hours a week together with the coordinator on tasks connected with EVS promotion and presentation of their presence in our organization. Later, usually after 2-3 months, these 5 hours a week can be used by volunteer for his/her own projects and ideas.

Volunteers can visit some of the courses and events organized by Luzanky for free (circus trainings for adults, ceramics, etc.).

The organization will host only volunteers older than 18 years old from EU countries or from Ukraine (if the candidate can come first on biometric passport without visa and already work here on EVS while waiting for longterm visa applied for at Ukraine before departure to EVS).

Days off and holidays: volunteers have 2 days a week free + 2 days per month of vacation. While working occasionally on weekends they have extra days off during the week.

Allowances:

Volunteers get their pocket money and food allowance monthly (in the beginning of each month), they are provided with card for Brno public transport.

Accommodation:

Volunteers live in rented flats in single rooms.
